champagne finish

## mfc finishes...

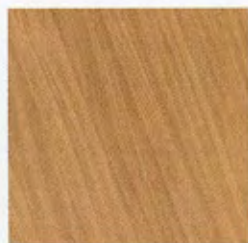

Choose from 5 contemporary melamine finishes-manufactured to BS3962 (parts 2, 3, 4 & 6), resistant to heat, staining and scratching.

ash finish

cherry finish

beech finish

oak finish

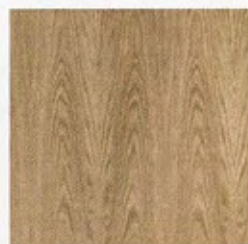

silver finish

## wood veneer finishes...

All of Elite's real wood veneers are selected with great care, then cut and matched to enhance the beauty of genuine wood. Wood is a natural product and each piece of furniture is unique, while every effort is taken to achieve consistency, some variation in colour, grain and texture may occur.

CAD 3d rendered images

typical 2nd plan

Our wide range is supported by an equal first class office design and planning team, utilising the latest Computer Aided Design technology. We can provide as much or as little input as you require -

whether working to your specific brief or creating a complete work space scheme from scratch. Throughout the design process, the Elite planning team can produce 2D, 3D and stunning 3D rendered images and drawings, to give you the clearest possible impression of how the plan will ultimately work.
