

HORIZON

design: P. Kuchciński

The HORIZON reception counter system is a combination of functionality and modern design. A characteristic feature of the system is that it gives the user a possibility for building the reception counter of various elements and adjusting its appearance and functions to individual requirements.

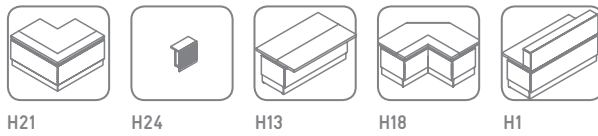

BALMA

ION
VA-
AND
SIGN

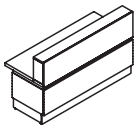

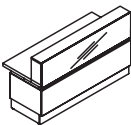

A range of best quality materials and the option of combining individual elements, as well as illumination of the counter front, account for prestigious character of the interior.
